FEBRUARY 2024

*where family, dance, and education  
come together as one!*

## A NOTE FROM MISS NANCY

Recital plans are starting to roll! Costumes have been ordered and are beginning to arrive. Classes are learning choreography each day. It is very important for every student to attend classes regularly now through May! Recital rehearsals will begin the end of May. To help with staying healthy during these cold weather months, remind your dancer to wear a jacket when leaving the studio. It is also important to wear street shoes when leaving the studio.

Wearing dance shoes outside will shorten their life.

Please assist us in being good business neighbors. Use the parking lot behind our building. The front loop is for drop off. Please do not block parked cars when waiting on a dancer.

Be sure to read your newsletters and emails regularly! We will have much recital and end of year information coming out during the next few months.

Miss Nancy
