Everything You Need To Know From Head to Toe

Costumes

Each student has received a "made to order" costume. Made to order means they are made when we place the order. Costumes are not made to dancer's exact measurements, companies use general sizing charts. This means some alterations may need to be made to your child's costume. Any alterations will be your responsibility. If you have any questions about your costumes please reference the costume book that was emailed or you can see the one in the studio office. **PLEASE LABEL!** It is very important that you put your child's name on all shoes, costumes and accessories, etc. We cannot guarantee the return of personal items left at the theatre.

Labeling

It is very important that you put your child's name on **ALL** shoes, costumes, accessories, etc. Please **LABEL, LABEL, LABEL!** We cannot guarantee the return of personal items left at the theatre.

Hair, Tights, and Shoes

A tights and shoe list was emailed early this year. The list will be emailed again.

HAIR

Dancers should have all hair pulled away from the face (including bangs) and placed in a low bun at the nape of the neck. Hairnets need to be used along with hairpins (the kind that separate). Bobby pins will fall out easily. Use bobby pins only for holding in hair pieces that are part of a costume.
Hairspray, Hairspray, Hairspray!

TIGHTS

You may only wear Capezio Brand tights unless specified differently by your teacher!

BALLET SHOES

All ballet shoes need to have elastic straps sewn, not tied to the sides of shoes. Please tie strings at the top of the ballet shoe in a double knot and cut off 1/4" from the knot.

TAP SHOES

Tap shoes usually come with ribbons that tie. We will have bows on the day of recital that we will put on your child's tap shoes.

Makeup

All students need to wear makeup. Please remember that stage lights will wash out facial features if you are wearing little or no makeup. Therefore, makeup needs to be applied heavily for performance! Below are some tips:

GIRLS

- **Base** - (a little darker than their normal color)
- **Powder** - (to help with shine)
- **Eye Makeup** - **NO BLUES OR PURPLE, Browns, and Golds are the best.** Contour the crease of the eye with a darker color than the lid. Use cream or white on the top of the lid to the eyebrow. Then blend the lid, crease, and top of the lid together. Outline the lid of the eye with black eyeliner (thin) and halfway under the eye (thin).
- **Mascara** - Black
- **Lipstick** - Stay All Day lipstick to prevent smearing. Reds and/or deep roses. Example: Maybelline Super Stay Matte Ink Color - Dancer
- **Blush** - Rose colors. Place high on the cheeks.

BOYS

- **Powder** - minimal for the boys. This is just to help with the shine.
 - **Eye Makeup** - Outline the lid of the eye with brown or black eyeliner (thin) and halfway under the eye (thin)
 - **Lip Gloss** - Clear
- *REMEMBER, THE STAGE LIGHTS WILL WASH OUT FACIAL FEATURES IF YOU ARE WEARING LITTLE OR NO MAKEUP***
