A NOTE FROM MISS NANCY

Welcome to all returning and new students. Classes began this week and it has been a wonderful week full of excitement and smiles.

We're thrilled to reconnect with familiar faces and get to know our new dancers. We cannot express in words our gratitude for all the support we have received from our NancyDance families! This newsletter provides important monthly information. Be sure we have your correct email in the office so you can be sure to receive it each month. Thank you for allowing us to educate your children in the art of dance. We are looking forward to our 42nd year!

Dance Attire & Etiquette

Below are 7 basic dance class etiquette rules every dancer should follow:

1. **Dress the part.** Beginning in Level 1, students should adhere to our studio dress code. If you are unsure of the color leotard your dancer should be in, please visit our website.
2. **In the older classes, the front row is for the oldest dancers.** It's fair, they've earned their time here in the dance classroom.
3. **Always stand behind the teacher(s).** You are here to learn, so let the teacher demonstrate.
4. **Don't walk in front of the class during instruction.**
5. **Wait until the music stops to ask a question, move about, or ask to leave the classroom.**
6. **Say thank you.** It goes a long way and makes your teachers feel appreciated.
7. **No talking while your teacher is teaching or the music is playing.**

While rules seem limiting and provide a sense of strictness, they also provide a sense of structure and give everyone a common ground. Our dance education program is structured with all the fun, love, and education you could hope for.

Happy Birthday
